National Intelligence Council

NIC #00049-84

5 January 1984

25X1

MEMORANDUM FOR: Director of Central Intelligence
Deputy Director of Central Intelligence

VIA : Chairman, National Intelligence Council 
FROM : Herbert E. Meyer
Vice Chairman, National Intelligence Council

SUBJECT : DoD Request for Assessment of the Warsaw Pact Threat
to NATO Airfields 

25X1

1. Attached is a recommended reply to Dick DeLauer's request for an IIM or SNIE on the above subject. While the scope of study is rather narrow, I recommend that we do a SNIE. The matter is controversial within the Pentagon, particularly the Air Force, and a SNIE will afford the issues the visibility and prominence they merit. 

25X1

2. One key problem: We may not be able to produce a useful study 
I've asked Ted Atkeson to initiate the effort and advise us of the likelihood of doing a Secret version as the work progresses and the matter becomes clearer.
